This word list is the fifth of a series of five yearly lists that are released in mid-May.

The only sources used for pronunciations and definitions used in the competitions will be the Merriam-Webster's *Collegiate Dictionary*, Eleventh Edition, and <https://www.merriam-webster.com/dictionary>. Words must have identical spellings in both this word list and the dictionary to be used in competition. If a discrepancy appears, words that do not match will not be used in competition. Every effort was made to select only words that are appropriate for school use. If necessary, a list of words that have been eliminated from the list will be posted at <https://iasp.org/student-programs/spell-bowl/>
